MEMORANDUM FOR THE DIRECTOR

SUBJECT: Speaking Engagements

1. On Monday, 26 February, I am scheduled to talk on Vietnam to a Brookings "Seminar for Business Executives on Federal Government Policy" and on Thursday, 29 February, I am supposed to lecture on Vietnam at the National War College.

2. Both of the above are reasonably long standing commitments already approved by you. Circumstances, however, alter cases and circumstances have changed since your initial approval. I do not want bureaucratic inertia to produce a political error. If you feel I should cancel either or both of these engagements, please let me know.
